Experience

Technical Director at KZFR, Golden Valley Broadcasters, Inc.

Broadcast Media, 50-200 employees

08/2008 - present

Develop website and social media, technical training for volunteers and staff, maintain computers and network, maintain broadcasting equipment, develop plans for long term technology development, coordinate contractors.

KZFR is a non-profit community radio station based out of Chico, California. The station has only 6 - 10 employees, but we support over 100 volunteer radio programmers. We emphasize that the station staff makes no attempt to control on-air content - by and for the community! The position of Technical Director was created when I responded to recruitment for a different position at the station.

Teaching Assistant; Asian Healing Arts & Whole Foods Nutrition at Heartwood Institute

Health, Wellness and Fitness, 50-200 employees

08/2007 - 05/2008

Assisted faculty in preparing class materials and maintaining classroom environment. Offered direct instruction on topics of Traditional Chinese Medicine, nutrition, Shiatsu acupressure massage, and healing movement Qigong. Responded to student practice treatment records and supervised student clinic. Assisted faculty outside of the classroom when necessary, including developing budget proposals for new equipment and coordinating among faculty.

Heartwood Institute is a rural residential school of bodywork (massage) and natural healing arts. Students, staff, and faculty share meals in this small, close community. Emphasizing an immersive sanctuary environment, faculty guide students through intense personal transformation as they undergo physical and emotional cleansing as a result of consistent studies in Qigong, yoga and meditation, all part of developing the quality of awareness necessary for deep transformational therapeutic work.

Contributor at WiF:)) - wirelessisfun.com

, 0-10 employees

01/2006 - 08/2007

Offer commentary in written form; self publish.

Irregular contributor to swarthy wireless tech blog.

Receptionist Extrordinaire at Tahoe Yoga & Wellness Center

Health, Wellness and Fitness, 10-50 employees

12/2006 - 08/2007

Greeted clients and teachers with exceptional customer service. Provided extensive information on various yoga and bodywork modalities, theory, and philosophy. Maintained and updated class and therapist schedules in online database. Maintained company website, created promotional materials for print publication. Performed retail, opening, and closing duties. Various promotion and technical tasks, as needed.

Together, my wife and I ran the day-to-day operations of this beautiful yoga studio in Reno during its fledgling months. We kept the doors open seven days a week, educated clientele, and developed promotional material and strategy. We left to pursue other interests as the studio stabilized, as we were offered teaching positions at Heartwood Institute.
