## Studies

### **Nuclear Engineering at Oregon State University**

College

**09/2006 - 06/2009**

Coursework:

Nuclear Radiation Physics

Radiation Detection and Instrumentation

Fluid mechanics

Heat Transfer

Calculus Series

Physics with Calculus

Public Speaking

Statics

Dynamics

Engineering Graphics and 3-D Modeling

Materials Science

---

## Skills

Software Knowledge:

SolidWorks; Autodesk Inventor; SketchUp; MS Word, Excel, PowerPoint; MatLab;  
Google Apps

Learn new software quickly.

---

## Experience

### **CAD Drafter and Renderer at Aperion Audio**

Consumer Electronics, 10-50 employees

**06/2009 - present**

Drafting both existing and new products.

Assisting with design decisions of new products.

Rendering high quality images of products for evaluation and presentation.

### **CAD Drafting and Design at Kadence Designs**

Consumer Electronics, 0-10 employees

**01/2010 - 02/2010**

Industrial design and drafting of new product.
